

Post Award Compliance

Workshop Description

This workshop provides an overview of the many regulations and compliance concerns pertaining to post award administration to include cost sharing, unallowable charges, effort reporting issues, cost transfers, and more. (1.5-2 hours)

* Required for VT Research Administrator Certificate Program

Workshop Assumptions

1. Participants should have some involvement in the administration of research projects

Workshop Objectives

1. Provide an overview of the regulatory framework for post award compliance with a focus on financial compliance
2. Inform participants of particular areas of concern and importance in regards to post award compliance to include direct costs vs. indirect costs, effort reporting, cost sharing, program income, and foreign travel
3. Provide a departmental prospective on post award compliance

Instructional Outcomes

1. Participants will have an understanding of the post-award administrators role in research administration
2. Participants will know who to contact in post award for assistance
3. To inform participants about direct cost principles and indirect costs and to provide examples of those costs
4. To discuss inappropriate practices in charging direct costs
5. Understand how to comply in areas of cost sharing, effort reporting, program income, foreign travel, and procurement
